

2.2.2 Interpretation of Membership Identity

To uphold clarity and consistency in applying the Church ByLaws regarding membership status, the Board delegates authority to the Senior Minister to define the meaning of a “prolonged period of inactivity” as referenced in the ByLaws.

Accordingly:

1. The definition must align with the Church’s mission, reflect reasonable and holistic patterns of congregational life, and avoid surprising reasonable people.
2. The definition must be documented in organizational guidance.
3. The Board shall affirm the definition annually.
