

2.4.8 Financial Transparency and Reporting

The Senior Minister will ensure that financial records are accurate, timely, and accessible to the Board and congregation, excluding personal details or legally protected data.

The senior minister will:

- Provide comprehensive, quarterly financial reports as defined by the monitoring schedule.
- Ensure that financial records are accurate, timely, and accessible to the Board and congregation (excluding personnel details or legally protected data).
- Maintain a record retention and destruction guidance
- Ensure secure systems for all financial data
