I have also attached 2 documents about the development plan as the as built drawing.

Schedule:

The established turf starts watering at 12 am and runs until 2:30 am and then one more cycle from 3 am to 5:30 am on Wednesday, Friday and Saturday

The seed program has 5 start times at 7:30am, 12pm, 4:30pm, 7:30pm and 11pm. It runs for 1 hour and 36 minutes per cycle everyday of the week.

The drip program has 2 start times at 10:45am and 4:30pm and runs for 1 hour and 30 minutes per cycle on Monday, Wednesday, Friday and Sunday.

The sprinkler system control panel is located outside the West side main entrance doors.
