Deceased Database Process

- Congregant Death Workflow (

<https://people.planningcenteronline.com/workflows/335347/steps/845118/assignees/26474115/ready>)

- A minister reaches out to family members/close contacts of deceased to offer condolences and begin memorial planning. Key questions to explore include:
 - Is there an obituary?
 - Is there a memorial service planned? Be sure to share info with Kelsey for congregation notification/calendar
 - Is there a preferred means for reaching out to family (website, calls, cards, etc)?
 - Refer to meal train or other caring support workflows as needed

- Caring anniversary reminders/invitation to Tangled Blessings or other support as appropriate (refer to Milestones or other workflows, snooze etc)
- Kelsey will reach out to minister/relevant staff to discern if there needs to be an announcement, and to whom.
- General guidelines (adapt as needed for the particular needs and sensitivities of any given situation)
- -Confirm that any necessary personal calls/reach outs from a minister have been made first
- -If the deceased is a member, send an email to all other active members.
- -If it's someone deeply involved in a particular group, also send notice to participants in that group. Death notice processes are very personal and flexible depending on the deceased.
- -Will always appear in next all-church announcement as small blurb
- When a name lands in this step, Lauren will check in with other staff then proceed to move the person through the Inactive/Remove from Membership Workflow as appropriate
- Ask the family if they would like to order a plaque. Allow for 6 week turn-around time.
- Step 1: Ministers are notified of death. Elaine, Gretchen, Sean fully are notified by one another, other staff, family etc.
- Step 2: Add Death Date to Profile (under Pastoral Care Tab)
- Step 3: Outreach from Minister
- Step 4: Communicate to Congregation and Community as Appropriate
- Step 5: Send to Inactive/Remove from Membership Workflow
- Step 6: Memorial Plaque

Invitation to fill out Memorial Form

Hi [Family Members],

I want to begin by sharing how truly honored I am to be part of the process of creating a memorial service for [Name of deceased]. It is a privilege to help honor her life and legacy in a way that reflects her spirit and the love you all shared.

As we begin this process, the first step is coordinating the completion of the Memorial Planning Form at foothillsuu.org/memorialplanning. The form only needs to be filled out once, so you may want to work through it together as a family. We've also produced a short video that will guide you through the process, which you can view at this [link](#). Please don't worry if you don't have answers to all the questions—this is just the beginning of the planning process, and we'll work together to fill in any details later on.

Once the form is completed, we can find a time to meet via Zoom to continue planning the service. Please let me know if there are times you are all generally available to meet.

Jenn Powell will be in touch soon to coordinate logistics, but I will take the lead on planning the service itself.

Again, I am deeply grateful for the opportunity to help honor [name of deceased]'s life, and I look forward to walking with you through this process.

Warmly,
Rev. Sean
Foothills Unitarian Church
